DETAILED ACTION

Receipt is acknowledged of the 132 declaration and request for continued examination.

Response to Amendment

The declaration under 37 CFR 1.132 filed 01/12/2009 is sufficient to overcome the rejection of claims 12-16, 20-23 based upon 102(e) over Anseth et al.

It is noted that applicant's declaration refers not only to the priority of USSN 08/862,740, but also USSN 60/041,881. The latter is not listed on the Oath, continuing data of the specification or BIB sheet. Correction is requested.

Specification

The disclosure is objected to because of the following informalities: Continuing data needs to be updated as set out above.

Appropriate correction is required.

Oath/Declaration

The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:
It fails to properly show the priority based on USSN 60/041,881 as cited above.

Upon correction of the above, a new BIB sheet can be printed to correctly set out the priority of the instant application.

Allowable Subject Matter

Claims 12-23 are allowed.

Conclusion

This application is in condition for allowance except for the following formal matters:

Correction of both the specification and oath as detailed above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
